Maintenance Free Colour Coated Steel Fence

Hebei Minmetals is committed to continuously providing customers with better product design and experience.

Smart fences not only offer a fence product that meets your needs, but also enrich your life with diverse combinations and reliable quality. They are continually updated and improved to provide the best product for professionals and individuals to secure their areas.

# Kilally Smart Fence

The logo for Kilally SMARTFENCE is positioned in the upper left quadrant of the image. It features the brand name 'Kilally' in a stylized, cursive script with a green underline, followed by 'SMARTFENCE' in a bold, green, sans-serif font. Below this, the tagline 'Maintenance Free Colour Coated Steel Fence' is written in a smaller, black, sans-serif font.

Maintenance Free Colour Coated Steel Fence

The image shows a close-up of a grey, horizontally-slatted fence panel, which is the 'Infill Panel' being advertised. The panel is mounted on a vertical post. In the background, a red wooden building and some greenery are visible. The text 'Infill Panel' is overlaid in a large, bold, black font with a white outline.

Maintenance Free Colour Coated Steel Fence

Kilally Smartfence provides two different designs of infill panel. The traditional panel has a shiplap design. The 'contemporary panel' eludes a modern fashionable vibe. Both designs feature a unique bullet nose locking mechanism for easy installation and increased panel stability.

**Material:** Steel

**Surface treatment:** Textured powder coated

**Dimensions:** L1780×W315mm

Unique Bullet Nose Locking

# Rich Decorative Trellis Design

The intelligent fence features a modular design that can be 100% opaque or combined with various decorative panels of different styles to assemble your fence. The slightly open Trellis allows light to shine through, adding some vitality. The trellis also has the bullet nose locking system.

**Materials:** Steel

**Surface treatment:** Textured powder coating

**Dimensions:** L1780×W300mm

Round Holes Trellis

Squares Holes Trellis

Vertical Line Trellis

# Garden Gate

The Kilally fence offers optional garden gates that match the style of the fence. It is composed of an aluminum door frame filled with embedded panels.

Gates can be customised to make them smaller and trellis can be added if required. Gate hinging system allows gate fitting to walls or to special designed gate post.

If you require double gates you can purchase two single gate remove lock from one gate and add gate stopper accessory which slots into lock slot. A gate lock stopper can be purchased as an accessory for double gates.

## Single Gate

Available Size:  
1m and 1.2m

## Double Gate

Gate Lock Stopper

## Gate Posts
