

ORNAMENTAL FENCE

HEBEI MINMETALS CO.,LTD.

Introduction to Enterprise

Hebei Minmetals Co., Ltd. is a leading manufacturer, importer and exporter, located in Northern China's Hebei Province. Drawing on abundant local resources of steel, the company produces a wide range of metal products, including rolled fencing and fence posts, fasteners: nails and screws, building materials, lawn & garden items: trellis / borders / arbors / decorative fence, residential steel fence and gates, pet containment: kennels and pet cages, as well as auto parts, various agricultured products and hardware items.

With headquarter in Shijiazhuang, Hebei Province, the company manufacturers at numerous factories throughout China, Thailand and Taiwan, both in fully owned production facilities, Joint Venture investments, as well as factories with partial equity ownership. The products that are manufactured flow to North American, European, Asian, South American, Australian and African markets to make the company a true global entity. Additionally, the company has overseas offices and company owned distribution and marketing of its products.

Hebei Minmetals is committed to supply superior products and excellent customer service, as it serves its customers and expands into new markets.

Thanks for your support and assistance!

Palisade Fence

Palisade Fence provides a physical and visible deterrent against intruders. The versatile design can accommodate all site requirements which may include bespoke hole positions, three rails, extensions for barbed wire and extended pales for burying in the ground or concrete stills. Our Palisade Fence can be powder-coated in virtually any colour. And also Palisade Fence is easy to erect and repair, no expensive equipment required should a damaged pale need to be replaced.
